Efficiency

As the premier provider of medical reprints, the reprints Warehouse website will find you the articles you need.

 Springer Healthcare

reprintsWarehouse.com

Finding every article containing supporting evidence for your product can be a real challenge. But with reprintsWarehouse.com, the task is a great deal simpler.

Our team of experts monitors over 500 peer-reviewed medical journals to find published content relevant to your drug or device, with a back-file of articles stretching back several years. Searching the database is easy using drug name, manufacturer, author, publication date and/or keyword. We've even highlighted the articles' key sentences for you – making it easy to pinpoint exactly what you need. Registration is free, and our optional e-mail alerts mean you can find out first about new articles relevant to your product as they appear.

With reprint rights agreements with more publishers in more markets than any other company, we can also supply quotes quickly and efficiently through our local representatives.

Relevance

Articles in the reprintsWarehouse.com database have been selected for their reprint potential, and are tagged with drug name, manufacturer, publication date and key sentence to improve your search.

Speed

Medical reprints rights agreements comprising more clinically relevant titles than any other company in the world, we are able to provide many quotes immediately on request – or obtain permissions from the publisher to ensure you receive the fastest copyright compliant service available.

Efficiency

Search the reprintsWarehouse.com and PubMed databases simultaneously for comprehensive, targeted results.

Consistent Quality

Reprints are produced locally, where possible, to reduce delivery costs plus we offer high quality customization, translation and production services.

Convenience

Set up a profile to receive weekly email alerts containing relevant additions to the database.

Value for Money

Our global network of representatives can work on your behalf to consolidate bulk orders for you and your colleagues abroad to ensure lower pricing.

Local Service

It's easy to request a quote for articles of interest and receive pricing from a reprintsWarehouse.com representative in your local market.

Workflow Tools

As your exclusive reprint supplier we could set up a company-specific version of reprintsWarehouse.com to help streamline your global purchasing process.
